APComm Publication Scheme

The Association of Police Communicators is committed to making as much information as possible available to the public proactively. We do this by publishing the data that people need to understand, including who we are and what we achieve.

Our publication scheme contains information we routinely make available either to our members directly at quarterly APComm meetings or to the general public via our website.

Available information is grouped under the following 'classes of information':

Who we are and what we do

[Our purpose](#)

[Our committee](#)

What we spend and how we spend it

Quarterly financial updates by APComm's Treasurer – members only.

What are our priorities and how are we doing

[Business plan](#)

How we make decisions

[Our governance](#)

National meeting minutes – members only.

Executive committee meeting minutes – members only.
